If you are unable to attain clearance you will not be granted access onto the military installation, however, you can provide the names and personal information of the people you will be listing as your emergency contacts. Once cleared, you/your emergency contacts will remain on an access list for the duration of the school year. Please be prepared to show a valid driver's license, proof of insurance and current registration when you reach the gate. You will not be allowed through the gate without these items. If you disenroll your child from school during the school year, you are required to forfeit your base access pass to the school office on your child's last day of enrollment.
